The Great July Clearance of Fine Wilton Rugs

Whittall, Hardwick & Magee, Bigelow-Hartford and Other Weaves High in Favor \$21,388 Worth, Reduced to \$16,627

Every home-furnisher knows that Rugs of the famous makes named above can only be sold under price twice a year, when the mills are dropping from their new catalogues the patterns which will not be continued. Therefore, these same wise home-furnishers never fail to seize this half-yearly

opportunity to buy such standard Rugs when they can make such clearly defined savings on the regular stiffly maintained prices.

This is what will happen in the July Rug Clearance which begins on Monday. Such of these fine Rugs as we have in our stock are reduced in price, and along with them, for the sake of a richer assortment, are many of other favorably known makes-
